

Dear WordCrexers,

As it develops it looks like the Corona crisis will be with us for a while. We wish you and your loved ones all the best and energy to stay safe and strong.

Inviting someone for a game of WordCrex makes a difference in these home sitting days.

We get a lot of questions (especially form our elders) how WordCrex works. We are happy to explain it step by step. If you like you can also send this letter on using this link:

- 4 When chosen your game tap "Invite friends" or "Random game".
- 5 When you know the username or email address of someone who plays WordCrex already you can fill this in in the searchbar on top of the screen, the player will appear to select (only if he or she has a working WordCrex account).
- 6 Press "Next" on the upper right of the screen, check if your game is correct and tap "Send invitation".
- 7 The invitation is send and the game will appear in your central screen, when the player accepts the challenge you can start the game of WordCrex.
- 8 When you do not know any WordCrex player (yet) or choose to play a game against a random player tap "Random game" on the bottom of the screen. As soon as someone is available a game will start. Keep in mind that for some langauges the number of players is limited so it might take some time before your challenge is matched. Always consider inviting someone directly f.e. with the "Invite friends" button on the bottom of the central screen.
