

Short explanation game:

Each turn you are given seven letters to form words for as many points as possible. The nice thing is that your opponent has the same letters and also tries to score as many points as possible. That makes WordCrex unique and exciting!

How do I start a game?

Press “+” and immediately play against a random opponent or invite 1, 2 or 3 WordCrex players.

Can I see the words of my opponents?

Press the yellow icon with flag and number at the top of the game board and you will see an overview of all words played.

How do I choose a word list?

Press the flag.

Which wordlists are available?

There are more than 20 wordlists available to play with. In many languages we have added the best dictionary available.

What happens if I pass (press X under your game board)?

If all players pass their turn, you will get new letters. Beware, three passes in a row by all players will end the game. If there are less than 10 letters left in the game and everyone passes, the game ends and the one with the most points is the winner.

How is a player's strength displayed?

A player's strength is represented by points and stars. This strength is based on a calculation, where you earn more points when you beat a stronger opponent than a weaker opponent.

The intervals are as follows.

Up to 1.200 points = 1 star

1.200 to 1.499 = 2 stars

1.500 to 1.799 = 3 stars
1.800 to 2.099 = 4 stars
2.100 to 2.399 = 5 stars
2.400 to 2.699 = 5 stars Bronze
2.700 to 2.999 = 5 stars Silver
3.000 and more = 5 stars Gold
